Dear Community Member,

Square Foot Theatre needs your help in pursuing its mission!

The Square Foot Theatre is a non-profit center for the performing arts that truly embraces the “community” element of “community theatre”. Made up of all walks of life, the Square Foot Theatre provides an opportunity for community participation in musical theatre performances that educate, enrich and entertain.

Just as we need the support of our local community performers in yielding the highest-quality performances, we also need the financial support of our community to keep our mission alive! As a sponsor of the Square Foot Theatre Company, you will help sustain a place where children and adult performers alike can share in each other’s “square feet”, be themselves in a nurturing environment, and where patrons can see professional caliber performances at a reasonable cost.

The Square Foot Theatre is therefore seeking sponsors from local businesses in order to further its mission. What does this mean for you? Over 3,000 patrons grace our audience each season. This means that your organization will be visible to thousands of people should you choose to become a sponsor.

On the following page, please find a list of our sponsorship options.

If you have any questions or would like any further information, please contact Steven Rignoli at [treasurer@squarefoottheatre.com](mailto:treasurer@squarefoottheatre.com). We look forward to establishing a relationship with you and your business!

We thank you in advance for your consideration to help us keep the arts alive in the community.

Sincerely,

Jared Andrew Brown
